The corporate limit locations identified on this map have been based on record information form various sources and not on a survey of the corporate limits. These locations MUST NOT be relied on for purposes where the true boundary determinations must be performed in accordance with the requirements of KRS 322.

The data are based on information on file with the KY Secretary of State's Office. They are a generalization of the corporate boundaries as they are known to exist and are to be used for general planning purposes only
